

B Extra Series books 11-16

The B Extra Series was revised in the spring of 2012 and the pig family characters were removed. A new book, *My Clock*, and a revised version of *Ring-a-ding* were added for children to practise reading words with the 'ck' and the 'ng' combinations.

Aims

The aims of each book in this series are:

- To use as many simple CVC words as possible in each story.
- Not to introduce any more vowel digraphs other than 'ee' and 'oo' in 'see' and 'look'.
- To use the Phase 2 'common exception words' 'I, the, no, go, to'. Other 'common exception' words are also used. These are 'little, my, oh, are, have'.
- To practise and reinforce the graphemes 'ck' and 'ng'.
